MSFC DATA MANAGEMENT (DM) REQUIREMENTS

Data Provided for Information Only
This file is provided for information only. It is not an applicable document called out in the Request for Proposal (RFP).

This data is provided to aid understanding of the MSFC Data Management Requirements documentation, requirements flowdown, and relationship to other MSFC requirements.
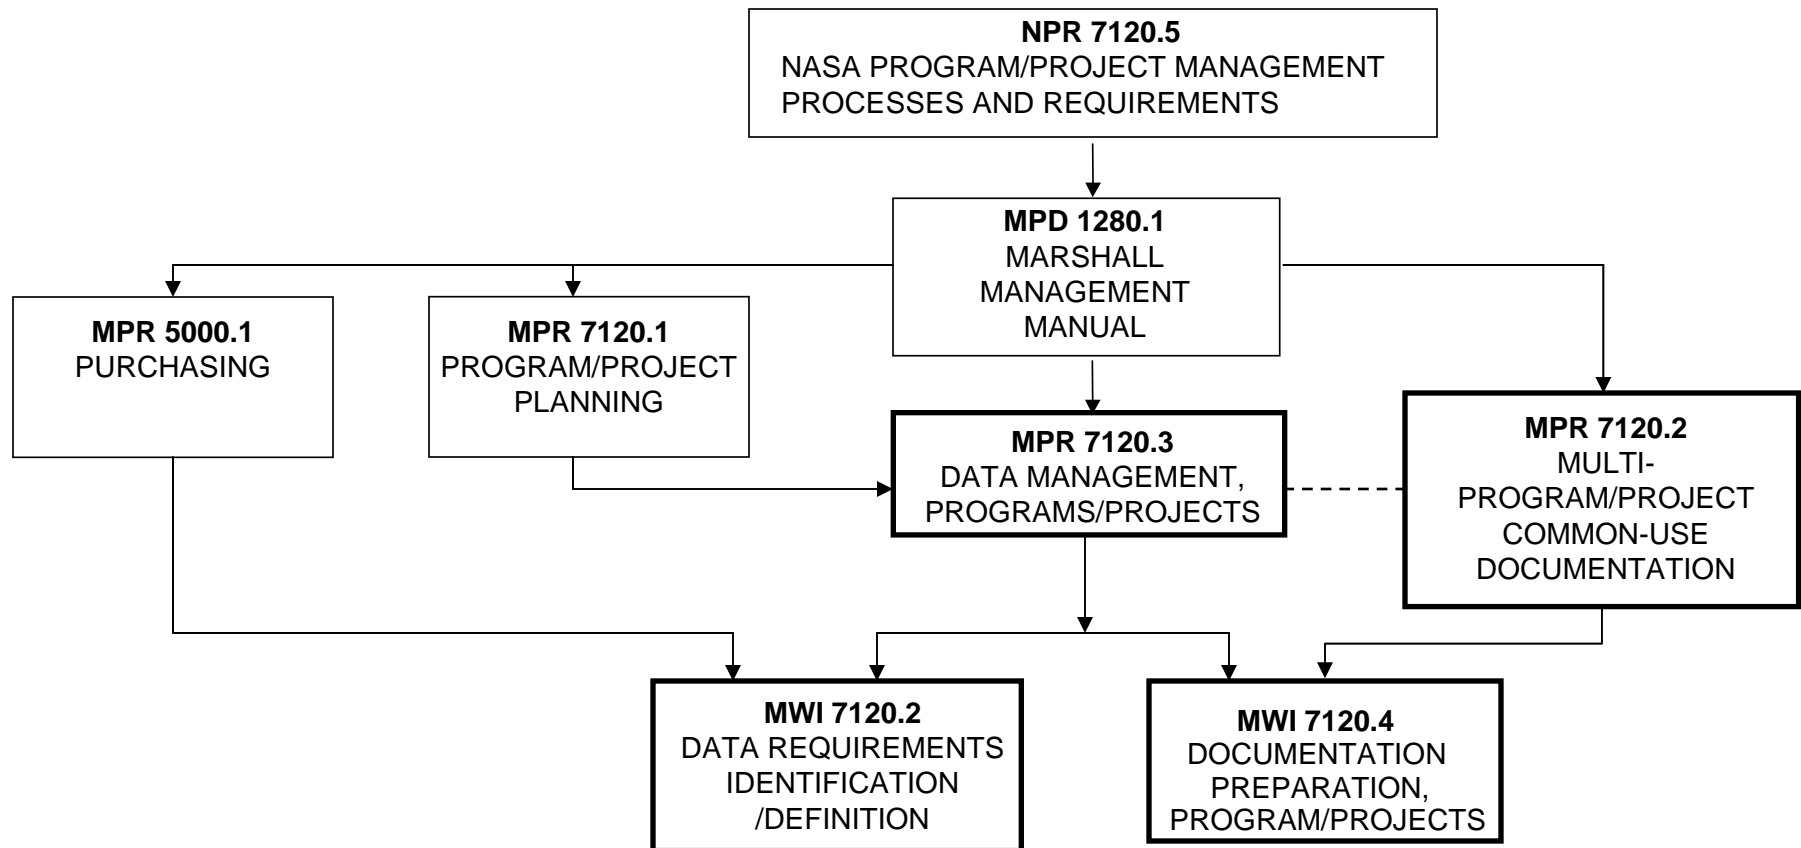

Key to diagram:

Box with Heavy Solid Line = MSFC DM requirements managed by the C&DM policy area.

Box with Regular Solid Line = MSFC requirements which are parent requirements for C&DM requirements. These documents are not managed by C&DM policy.

Box with Rounded Corners = Notes; additional information
